

## EXTRA WORK AUTHORIZATION FORM

**This form should be used for additional pruning, mulching, shrub replacements, lawn maintenance or other small projects.** Any major changes to the current landscape of your home will also need to be authorized by the Tarrington Modifications Committee. It is the responsibility of the homeowner to submit an application to the committee for approval who will meet monthly. Any project consisting of adding additional shrubs, trees, mulch beds, hardscapes, irrigation systems, turf treatments, grading, and tree removal need to go through the Tarrington Modifications Committee. Detailed information on what requests are considered changes to the current landscape of your home can be found in the Governing Documents.

A copy of the Modifications Form as well as the Extra Work Authorization Form are available at [www.tarringtonhoa.com](http://www.tarringtonhoa.com) under the Association Documents tab. Tuckahoe Landscaping is fully capable of accomplishing any of your landscaping needs and an appointment can be scheduled to get an estimate by calling our office at (804) 749-8922.

After the boxes have been filled out, click Submit. This form will then be sent to Tuckahoe Landscaping who will reach out to the homeowner within 48 hours to schedule an appointment.
